Reidsville - Hinesville

LEVELIZED BILLING AGREEMENT

Member's Name _____ Account Number _____

Address _____ Sequence Number _____

Canoochee Electric Membership Corporation offers a levelized billing program to members who qualify, as outlined below.

- () The program is only available to residential accounts.
- () The member must have been connected for at least 12 consecutive months.
- () The member's credit history must show no returned checks or cut-offs for non-payment for the previous 12 months.
- () The account balance must be zero to enter the program.
- () The program averages the current actual bill with the past eleven months' bills to determine the current amount payable.
- () Payment is due by the due date printed on the bill.
- () The account will automatically change to a regular residential account if there is any balance owed on the account when the next bill is printed and must remain off the program for 12 months.

AGREEMENT:

The above has been explained and discussed with me. I agree that if I have a debit balance when the next bill is printed, I will be placed back on the regular residential billing without notification, and the entire balance will become due. I further agree that if my service is terminated by me or Canoochee Electric Membership Corporation, the entire balance becomes due.
